

Appl. No. : 09/980,559
Filed : May 14, 2002

REMARKS

The Specification has been amended to include sequence identifiers for the sequences disclosed in Table 1 and Figures 3, 5A, 5B, 6A-F, 6G-H, 7A-F, and 7G-H.

The Sequence Listing, in paper and computer readable format (CRF), has been amended to present the sequences disclosed in Figures 3, 5A, 5B, 6A-F, 6G-H, 7A-F, and 7G-H.

Referring to Table 1, the Sequence Listing, in paper and CRF form, already presented the sequences disclosed therein, and the sequence incorrectly assigned two sequence identifiers, SEQ ID NOs: 38 and 39, was re-assigned one sequence identifier, SEQ ID NO: 38, because it is only one sequence.

No new matter has been introduced by these amendments.

Entry of these amendments is respectfully requested.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
